

Will your idea survive The Crunch?

Applications are now open for THE CRUNCH, Social Traders' social enterprise investment and development initiative.

To be eligible for The Crunch you must have:

- An idea for a new enterprise; or
- An idea that will take an existing enterprise in a significantly new direction.

There is no limitation on the nature of your organisation; you can be an individual, a community group, a not-for-profit or a for profit organisation; or an existing social enterprise.

More than the money

THE CRUNCH provides access to training, mentoring, networks and support, along with the opportunity to pitch for a share of the one million dollar Crunch Investment Fund.
